Dear Holy Cross Parish and School:

As you know, for the past few months, Reverend Mark Hughes has been acting as the Administrator of Holy Cross Parish and School, and we are all very grateful for his service. However, since Reverend Robert Buchmeier's situation is still unresolved, effective July 5, 2023, Cardinal Wilton Gregory has assigned Reverend Stephen Wyble to be the new Administrator of Holy Cross Parish and School.

Father Wyble, a native of Kensington, Maryland, has served in several parishes in the Archdiocese of Washington, most recently as Pastor of Holy Angels Parish, Avenue, Maryland and Sacred Heart Parish, Bushwood, Maryland.

Since Father Wyble will become the full-time Administrator, Reverend Mathias Njong, the priest from Cameroon who has very generously ministered to this community in a time of need, will return to his home diocese in July 2023.

Please join me in thanking Father Hughes and Father Njong for their wonderful service and in welcoming Father Wyble to Holy Cross.

With every good wish, I am

Sincerely in Christ,

Very Reverend Anthony E. Lickteig
Episcopal Vicar for Clergy
Secretary for Ministerial Leadership
